An AGM will be held Annually, at approximately the same time each year (May), and to be called for by the GM of the previous year.

At other times AGMs must be called by the GM on the request of 10 drunken hounds or the majority of the mis-management who may do so for any reason in majority including but not exclusively given to debauchery or semi-serious issues.

At least two weeks notice will be given of an AGM and one weeks notice for other General Meetings.

The following points will be considered at the Annual General Meeting:

- The previous year's accounts
- Report of the Committee.
- The erection of the incoming mis-management members for the following year.

A Committee consisting of the following shall be elected at each annual general meeting, a description of each role can be found in Section 4:

- GM
- Assistant GM
- Hash Cash
- Piss Master
- Religious Advisor
- Hasherdashery
- Hare Raiser
- Web Mistress/Mister
- Hash Sec

- Hash Moosic

The members of the Committee shall have power to co-opt additional unfortunate souls, in the event of the erected holder of these offices being unwilling or unable to serve.

### **Section 3 – Mismanagement obligations**

The duty of the Mis-management Committee is to organise and supervise the daily activities of YH3 and to make decisions on matters affecting it's running when the general meeting is not sitting.

It may not act contrary to the expressed wishes of the general meeting without prior reference to it, and always remains subordinate to the general meeting.

Financial requests of members wishing to host special events for personal, impersonal, or charitable reasons must also be approved by the mis-management committee following review of available budgets.

### **Section 4 – Mis-management Roles**

#### **4.1 A GM**

This person runs the Circle at the end of the Hash. The person is responsible for calling mismanagement meetings when needed and staying informed with all other mismanagement positions. The GM has the deciding vote in any instance of a tied hash vote This person usually is a seasoned hasher. This person can make any rules and/or traditions with regards to the Hash. This person is not responsible for buying any items for any Hashers. If the person so chooses, he can take over the weekly e-mailing of information. Remember - The GM is always Right!

#### **4.2 Assistant GM**

This person runs the Circle if the GM is not there. This person pours the beer (or finds someone to pour the beer, i.e. Beer Wench) and backs up the GM in any means the GM needs or wants. In the past, this person was in line to become GM, so served as Vice President first to get some practice. As such, this person was usually a seasoned Hasher as well

#### **4.3 Hash Cash**

This person collects money at the Hash and pays the Beer Meister and Haberdashers when presented with a receipt. Also in control of Anal Accounts, if mismanagement decides on them, and mis-advising on potential funding available for special events.

#### **4.4 Piss/Beer Master**

This person or people buys beer, ice, trash bags, and may supply cups for each week at the Hash. Usually what is needed each week is beer, softs, and upon request of the RA unbroken blocked ice when and where possible. This person gets reimbursed from the Hash Cash.

#### **4.5 Religious Advisor**

This person is third in command when it comes to running the Circle. He also helps the GM in anyway necessary, as the GM wants, and will generally turn virgins into sinners, host baptisms, and manage the Religious items like the Hashit and FRB item. This person traditionally preaches to would-be Hashers and spreads the good word of YH3 to neighboring hashes for potential co-hashes.

#### **4.6 Hasherdashery**

Hash store. This person or people are in charge of getting items the Hash or mismanagement has approved to purchase, such as shirts, shorts, stickers, cups, long-gyi etc. They can either buy the items themselves and get reimbursed by Hash Cash or get the Hash Cash to pay for it, once they have done the artwork, found a vendor, etc. Haberdashery items should be brought each week to the Hash so they can be sold to visitors, virgins, and Hashers. It is also good if they go, or find someone who is going, to brother hashes to take the items to sell. Haberdashery is usually a good means to make some money for the Hash.

#### **4.7 Hare Raiser**

This person is in charge of sourcing Hares each week. If no Hare is found, the person must source markings of their own device (this can be shreddy, chalk, on-on stickers etc) and host a lottery Hash, source a live hare or set the trail on their own. That is it.

\*\*\* Note: It is the Hare's responsibility each week to determine the proper location and give good DETAILED directions to the Start and the PRE-DETERMINED ON-ON during the circle. Directions should include the usual University Avenue meeting point for visiting hashers and the position of the circle with approximate circle time for seasoned YH3 hashers. All this information should be given to the web-mistress, AT LEAST a week in advance. \*\*\*\*

#### **4.8 Web Mistress/Mister**

This person or people keep the website/FB updated. It should have the information on the next Hash hopefully A WEEK before the Hash. The website contains pictures and information about other Hashes and events that are going outsideYH3 including FMYH3. Songs are also on the website for people to learn and sing at the Hash.

#### **4.9 Hash Sec**

The person or people take notes at mismanagement meetings. They also do a write up of the Hash each week (any form and length they want) and pass it along to the web-mistress/mister. If a weekly newsletter is passed out at the Hash, hopefully the upcoming Hare has passed on information and directions, which can be included. This person can do an annual year book (called Rear In Your View) if they so choose.

#### **4.10 Hash Flash**

This person is responsible for capturing any and all acts of hash debauchery that may occur during the run, circle or any ON-ON and all images, unless sensitive politically or culturally will be published for hashmusement.

#### **4.11 Hash Moosic**

This person creates a list of Hash songs to be published online for all Hashers to rehearse at any and all social events they see fit. They are available to give a note during any circle and create relevant Hash Hymns following memorable events.

## **Section 5 – Election procedures**

An annual election of new mis-management committee positions will be held following the AGM under the same conditions for calling, see section 2.

Any member of YH3 with a minimum of 10 hashes within YH3 and an ability to commit for the year can run for office and has the right to vote. The presiding GM is not viable to vote as their responsibility is held in deciding vote.

Following the committee report all unviable members will be invited to continue their mis-adventures in a separate area to the erected stage or to observe without interference. Candidates are elected in the order listed in Section 4 of this document by majority vote. In the case of a tied vote the GM has the deciding vote (section 4.1).

Upon election a down-down for the outgoing and incoming committee member will be hosted followed by the next election call.

For positions unfilled the GM, Assistant GM and RA will act as cover positions until such a time as a volunteer is found.
